

QUESTIONNAIRE

Dear students,

You have participated in some of the mobilities organized under KA2 Erasmus+ Project № 2015-1-LV02-KA205-000609, “BY LEARNING YOU WILL TEACH, BY TEACHING YOU WILL LEARN”. This questionnaire aims to find out what impact the training during the mobilities has had on you. Completing the questionnaire will take no more than 10 minutes. The data will be used to summarize the project outcomes and the effect the mobilities have had on the participants. For most questions you may select more than one answer.
